The Tasmanian Collaboration for Health Improvement (TCHI)

The [Tasmanian Collaboration for Health Improvement](#) is a key partnership between Primary Health Tasmania, the Department of Health, and the University of Tasmania's College of Health and Medicine. The TCHI's vision is to improve health outcomes for all Tasmanians through a shared translational research agenda that informs the development and delivery of a well-integrated, people-centred and effective health system.

The TCHI is [seeking applications for Manager – TCHI](#). Applications close Monday, 5 August 2019.
