DoH Research Governance Policy: Consultation and Implementation

The Department of Health, as system manager for Tasmanian public health services, is drafting and issuing new policy and procedures for governance of research and clinical trials. Consultation has now been completed. The final version of the Research Governance Policy Framework (RGPF) has In Principle Approval from the State Joint Executive Committee, and implementation will begin in January 2020.

To book an information and education session for your unit, please contact Tanya Harley at research.governance@health.tas.gov.au.
